Smart Video Doorbell with Tuya

Features

▶ **Tuya Smart Home Integration:** Fully compatible with the Tuya smart home ecosystem, enabling easy control and monitoring of the doorbell alongside other Tuya-enabled devices via the Tuya Smart app.

▶ **PoE Capability:** Simplifies installation by combining power and data transmission through a single Ethernet cable, eliminating the need for separate power adapters and ensuring a stable connection.

▶ **High-Definition Video:** Provides clear, high-resolution video footage, allowing you to see visitors with sharp detail, even in low light conditions.

▶ **Two-Way Audio:** Equipped with a built-in microphone and speaker, enabling real-time communication with visitors directly from the connected devices.

▶ **Motion Detection and Alerts:** Advanced motion sensors detect movement near your door and send instant alerts to your device, keeping you informed of any activity.

Model	VDB-140T
Network	2.4G WiFi 802.11b/g/n or Wired network
Function	Full duplex talk, take photo, take video, unlock
Unlock	Unlock by remote control, ID card or APP
External memory	Micro-SD card up to 256GB
Resolution	2Mega pixels
View angle	140 Horizontal angle
Alarm message	Push picture to APP when motion detection or call!
Power Supply	DC12-36V/AC8-24V/AC12-15V/48V POE
Playback	Video recording after the call or motion detection
Third-Party Services	Amazon echo, Google Home, Cloud storage
Net Weight	280g
Product Dimensions	145*93*39mm
